Jersey Order Guidelines

1. Wear shoulder pads when trying on jerseys
2. Make sure you order a larger size so that the jersey can be used for more than one season. Also, a jersey that fits just right at tryouts may be too small by the end of the season.
3. Jerseys must be paid in full by check at the time of the order. The amount is \$160 and the check should be made out to “MLHA”.
4. If you are a *current member* and need to order new jerseys, you may keep your current jersey number **unless** the number is somehow opposite of the player’s birth year (If your player was born in an even numbered year and has an odd number, or was born in an odd numbered year and has an even number, then the number must be changed).
5. If you are a *new player* you must list 3 choices of numbers – even numbers if born in an even numbered year and odd numbers if born in an odd numbered year (i.e. A player born in 1996 would need to select even numbers and a player born in 1999 would need to select odd numbers). If the three numbers he/she chooses are already taken by someone in their division, we will assign a number to them.
6. Your checks will not be cashed until we receive confirmation that you are joining MLHA for the 2010 – 2011 season.
